CHARGE EAST SHORE FRAUD

Bond Opponents Say Trade Was Crooked

Startling Relations Made Regarding Former Richmond Transportation Concern's Sale

Startling statements of fraud were made yesterday at the hearing of the State Railroad Commission held for the presentation by the intervenors of their objection to the granting of the application of the San Francisco-Oakland and Terminal Railways to be allowed to issue bonds of \$10,000,000.

Warren Olney Jr., attorney for a group of opponents of the bonding proposition, asserted that the transfer of the East Shore and Suburban railway, formerly a pure local Richmond transportation concern, to the Realty Syndicate, and its retransfer to George C. Moore, was a fraud. This statement was made by Olney when he was cross-examining Clinton Worden, formerly president of the East Shore and Suburban.

The accusations followed the allegations made at the opening of the hearing on the application, when Dr. George Derrick of Oakland declared that the United Properties Company, which acquired the local line and other lines, had used aliases in transactions in which security holders were defrauded.

Worden, on the stand, made the assertion that he and other stockholders in the East Shore and Suburban, had gone blindly into the combine, resulting in the incorporation of the United Properties Company on the representation of William S. Tevis, his greatest personal friend.

RACE WITH DEATH ENDS WHEN BABE SUCCUMBS HERE

With the demise of the six months-old infant of Mrs. Joe V. Braz of Concord early yesterday morning, a race with death which started at Concord, but which ended suddenly in Richmond, was lost. Despite the efforts of Dr. C. L. Carpenter, who was called to attend the infant after it was taken off the train here, the little sufferer breathed its last.

The heartbroken young mother accompanied the remains back to Concord yesterday afternoon, where they were shipped by Undertaker Bert Curry. Interment will be at Concord.

Mrs. Braz was taking her infant from Concord to the Children's Hospital in San Francisco, on Monday afternoon, when it suddenly went into convulsions.

Life was prolonged until the train reached this city, where the mother and babe were rushed to the offices of Dr. Carpenter. Immediate medical attention was rendered, but the Grim Reaper won out in the uneven fight with modern medical science.

Bronchial pneumonia was the cause of death.

IRE OF COURT IS AROUSED BY PEPPY LAWYER

A spectacle such as has seldom been witnessed in a court of justice aroused the ire of attorneys and citizens in the police court this afternoon, when a jury heard the evidence in the case of F. H. Lottman, driver for the Milwaukee brewing agency in Richmond. Lottman was arrested charged with obstructing the Macdonald avenue, between Eleventh and Twelfth streets, early last week on charges preferred by Councilman Gerry Follett.

Attorney R. E. Hewitt of Oakland, defending Lottman, showed the most absolute disrespect for the court and judicial procedure, it is said by spectators.

"It was the most absolute show of disrespect by Hewitt for Judge Lindsey," said C. A. Brown, a member of the jury, which hung on a split of eight for conviction and four for acquittal.

"The trial started at 10 o'clock in the morning and the jury was not discharged until toward evening, and during all that time Attorney Hewitt continued telling witnesses to pay no attention to Judge Lindsey, as 'he doesn't know what he is doing.'"

"Bulldozing methods of the most roughshod sort were employed by this Oakland lawyer, and not one man in a thousand could have gotten away with the rough language and the disrespectful attitude he adopted in the court."

"His whole demeanor was that he was a city lawyer come to a small town court and dealing with a judge who didn't know his business. His conduct was reprehensible to the last degree, and the citizens of Richmond who served on the jury or were spectators at the trial will remember long the impertinent and uncalled for conduct of the Oakland attorney."

A rehearing of the case was set for June 23 at 10 a. m.

ATTEMPTED DAYLIGHT ROBBERY FRUSTRATED BY MINTO'S COURAGE

Desperate Yegg Attacks Boy With Heavy Wrench In Effort To Burglarize Shoe Store

His funds gone and in a desperate frame of mind, Murray Byers, resident of 660 Valencia street, San Francisco, attempted one of the most daring daylight robberies ever recorded in Richmond police annals. Byers' failure in the robbery was alone due to the fact that he did not kill or render unconscious his victim, 13-year-old Milton Minto, employed at the Richmond shoe parlors.

Byers entered the Richmond shoe parlors, conducted at 326 Macdonald avenue, late yesterday afternoon, and asked Minto, who was the only one in the store at the time, to fit him with a pair of cheap shoes. When the boy knelt to try the shoes on Byers' foot, the latter drew a heavy monkey wrench from his pocket and struck the lad over the head with it.

Stunned, but realizing that his life hung on his quick action, the lad scrambled to his feet, and before the thug could deal a second blow he had made his escape to the street, where he loudly called for help.

Becoming frightened at the escape of his intended victim, Byers also ran out of the shop. The lad's calls for assistance brought help, and the would-be robber was captured by two citizens at the corner of Third and Macdonald. He was taken into custody by Chief of Police Arnold, and he is now confined in the city jail, awaiting a hearing on a charge of attempted robbery and assault with a deadly weapon with intent to kill.

START RECOVERING BODIES.

Rimouski, Que., June 9.—The first attempt to recover the 800 bodies imprisoned in the wreck of the Empress of Ireland was made yesterday, when a diver descended and explored the hull of the ill-fated vessel.

It was found to be laying on its side at a depth of 180 feet.

After bravely keeping his wits with him until the wrench wielder was in custody, the injuries inflicted by the iron weapon proved too much for the Minto lad, and he lapsed into unconsciousness. He was taken to the Community drug store, where it was found that a vicious wound several inches in length had been inflicted on his head by the wrench. The injuries are not serious and Byers' victim will be able to resume his duties in a few days. He has been removed to his home at 428 Castro street.

Byers shows few pangs of conscience over his act, and the only regret that he has expressed since his arrest is that his plan to rob the store was frustrated. He calmly stated he thought the blow would be hard enough to render the boy unconscious.

He will probably be haled into court and formally charged today.

Powder Worker Shot; Feud Over Old Theft

Renewing an old feud over a petty theft of months ago, John Chisolm twice shot and probably fatally injured Elias Dwyer following a fist fight and a rough and tumble match at the Dupont Powder Company's boarding house in Pinole, shortly after 9 o'clock last evening.

Chisolm is alleged to have attacked Dwyer as he came out of the hotel door, and as the two men have been bitter enemies since last April, when Dwyer accused Chisolm of stealing his watch, Dwyer quickly returned fight with such effect that he soon tumbled his opponent over the railing

to the ground, fifteen feet below. Chisolm fell upon his head, badly cutting his scalp, but arising drew a revolver and shot and hit Dwyer twice, once in the abdomen and once in the right side, between the two lower ribs.

Then the hotel proprietor, Joe Stark, grabbed the infuriated, gun-wielder and prevented further shooting. Dwyer is not expected to live, while Chisolm's gash in the head from the fall necessitated fourteen stitches that were sewn in at the county hospital at Martinez, where the two were taken.

THE 2700 CLUB

There seems to be many persons in our city who do not know the origin of the "2700 Club," who do not know the object of the organization, and do not realize the sincerity of purpose and the ultimate aim of its members.

If they did, the membership would be swelled at every meeting until their numerical and moral strength would become such that an ideal city government would be ours.

As our last municipal election drew near, a few of the members of the various organizations which had the civic betterment of the city at heart came to realize their absolute helplessness because their forces were scattered through several bodies, none knowing what the other had in mind, except the ultimate aim, that of a clean city government.

Feeling that some concerted effort must be made, these few suggested a joint meeting, and asked that each of the labor and civic bodies, Unions, Progressive Clubs, Socialists, each appoint a committee for that purpose. The result was a spontaneous response and the interest shown in the meeting was evidence that the right method had been found.

Many names were suggested for the organization; the question was asked, "What is our fighting strength?" To which was answered after a careful and conservative estimate, 2700. The figures were a suggestion, and the Club was named for its representative strength. The Club was then organized on a permanent basis.

The "Club" elected two of the three candidates put up by it. Shortly after that the "Anti picketing" ordinance was attacked by the Club and those behind it, with the result every one here at the time remembers the ordinance was defeated.

Following this in quick succession came the recall of State Senator James C. Owens, in whom the people had lost confidence, feeling that he had abused the trust placed in him. The result spoke strongly for solidarity in this community, for while Owen's recall was defeated in the district, it was done by those precincts where the 2700 Club was unable to exert its influence. Richmond will not be forgotten for its part in that recall election.

This is a brief history of the Club in matters which have already come to an issue. Now before us looms matters of as much or more importance than those which we have already encountered.

The city hall proposition is to be brought before the people or at least should be left to them to decide, and to bring this about the influence of the Club should be brought to bear.

The election of a board of freeholders for the framing of a new charter, or amending the old one, which has become inadequate, is before us and demands our immediate attention and united effort to get a charter that is for the people.

This fall the county officers are to be elected and the members of the club feel in duty bound to elect men to those offices who are friends of labor.

So the work of the club is not small nor insignificant, and those who are not active, but who are with it in sentiment should join hands and all pull together.

In the 2700 Club political affiliations are not considered and are not allowed to tip the balance one iota in any one individual's favor.

The 2700 Club, composed as it is of cosmopolitan membership, non-partisan and non-sectarian, stands for right equality and justice, for the possibility of a clean, industrious LIFE, a true, unhampered LIBERTY and an honest, legitimate PURSUIT OF HAPPINESS.

BETTER FIRE PROTECTION.

The request to the City Council Monday night by the Volunteer Fire Companies Nos. 3 and 4 for consolidation and better equipment in the Santa Fe district, on the ground that adequate protection is not given the district under existing conditions, adds a new phase to the question of a paid city fire-fighting force.

While it is a serious question, this outlay of money for new equipment and salaries of firemen, it seems to the Daily News to be not so serious as the question of reducing insurance rates and giving ample protection to the residents of Richmond.

Many persons in this city would be absolutely ruined if a fire should start. This city is modern, its buildings are good, and a fire could work no benefit in the way of cleaning out "shacks," but could do untold damage once it started.

Unquestionably Richmond has outgrown the time-honored and heroic volunteer department.

It is an institution that in days gone by has rendered inestimable service to its community, and as such an institution it will live and be honored so long as one member of it survives, but that does not gainsay the fact that the city of Richmond needs a paid department and needs it badly.

SAVING ELECTIONS.

The City Council advocates a single election to settle the referendum question and select a board of freeholders.

And in this the City Council is right. If it is possible, one election should be made sufficient. There is no use going to the expense of having two separate elections, taking the time of the voters and making a second count of ballots when one election would do.

HELD UP AFTER WINNING AT POKER

Badly bruised and beaten about the face and head, H. E. Madson appeared before Justice of the Peace Roth yesterday afternoon to swear to a complaint against a Berkeley man, whose name has been withheld, who he says held him up as he was leaving a saloon in that district at a late hour Monday night. He had been engaged in a poker game and had won heavily, and upon leaving he was followed by one of two brothers, who had contributed to his winnings. He had not gone a distance of over twenty feet from the saloon when the robber pounced upon Madson, demanding the money. Though beaten frightfully, he is certain of the voice of the man, but not as to the first name. Rather than arrest the brother of the robber the swearing out of a warrant will be delayed.

Madson was treated at the Abbott Emergency hospital for his bruises.

FEATURE REELS TO BE SHOWN AT RICHMOND

Carlyle Blackwell is at the Richmond theater today in "The Wiles of a Siren." A pretentious two-reel offering that grows stronger and stronger as it progresses on the screen. There is, of course, a love interest that is full of tribulations and terminates satisfactorily in the finale. Numerous tense scenes are shown, and with the photography and acting this will be found a good number.

"Tony, the Greaser," is a story with picturesque ranch settings, presenting George Cooper and Myrtle Gonzalez in the leading parts. The Mexican falls hopelessly in love with the girl, but she cannot marry him. He sacrifices his life later in defense of the ranch.

"Mike, the Avenger," is a very good Selig comedy that causes much laughter. Mike is a much abused individual whom everybody takes a whack at, until he accidentally leans against a cable and receives 10,000,000 volts of electricity into his system. Discovering his wonderful power, he proceeds to whack his former persecutors in a wild and wonderful way. This is a laughable picture.

Next Tuesday and Wednesday, Mary Pickford will be seen in a return engagement of "Tess of the Storm Country." Daniel Frohman's greatest success from the story by Grace Miller White. Related in motion pictures in a most inexhaustible and fascinating manner.

MANDAMUS CASE TO BE TRIED JUNE 30TH

The mandamus case of Lee Windrem against O. R. Ludwig, as the mayor of the city of Richmond, was called in the Superior Court before Judge Latimer at Martinez Monday morning, and the statement was made that the answer of the defendant had been filed. The case was then set for trial for the 30th of this month, when all the issues will be brought out.

This suit was brought to compel the mayor to add his signature to the agreement entered into by the council with the Harbor Center Land Company, which provided for the location and building of a city hall on Twentieth street in Richmond.

In matters connected with the new city hall, Mayor Ludwig announced Monday he had received a certified check for \$25,000 from the John Nichol Company, to bind the offer this company had made.

The plans for a new city hall that were referred to the building committee at the last meeting of the council, will very likely come up for action on the report of the committee.

What You Can Afford to Pay

What you can afford to pay for a suit or overcoat is not a question of dollars alone.

It is largely one of value received.

We know that you can easily afford to pay \$25 for one of our Hart, Schaffner & Marx suits or overcoats, because we know what is in them.

We know that such high quality of materials is rarely found in suits or overcoats at that price.

We know that no other garments at \$25 are so well tailored.

We know that in no other clothes will you receive so much value for your money.

That is why we say you can easily afford one of our \$25 suits or overcoats.

And, after you have worn one, should you not feel thoroughly satisfied—bring it back and get your money.

BUSINESS MEN TRY TO EFFECT A SETTLEMENT

Pittsburg, June 9.—Efforts to effect a settlement of differences between the Westinghouse Electric and Manufacturing Company, the Westinghouse Machine Company and the Pittsburg Meter Company and their 10,000 employees, who struck last Friday, were begun tonight by business men. The movement is an independent one and its purpose, it was announced, is "to settle the strike." Although today was pay day for many of the men now on strike, there was no disorder.

FEDERATED CLUBS MEET.

GENERAL STRIKE A PARTIAL SUCCESS

ROME, June 9.—Partial success has attended the general strike proclaimed yesterday as a protest against the government's repression of the workmen's demonstrations at Ancona on Sunday, when several men were killed. The movement has extended to Bologna, Venice, Florence, Genoa, Milan, Turin, Bergamo, Brescia and numerous other cities of Italy.

In this city, there has been some stone throwing and window breaking, and the cavalry has made occasional charges to disperse the crowds.

One man was shot dead and two wounded by the police in Florence in dispersing strikers today. Two policemen also were injured.

WORK SLACK.

Of the many idle men in the city at the present time the cement workers are probably suffering the most.

Many of this craft depend mostly upon the street work for employment, consequently the tardiness of the work this year has been a drawback in their line.

Also owing to the lull in the building industry, which supplies a few days' employment, has its effect.

Little hope is entertained by the cement workers and the other crafts affected for a betterment of the conditions, considering the fact that the contemplated street work is to be let in large contracts, beyond the reach of many of the local contractors, thus affecting many of the local craftsmen.

PAINTING AND PAPERING.

Do you know we are giving you the profit made on paper. Say a 25-cent paper we give you for 12¢. Why? Because we don't pay any store rent. We have sample books from one of the leading wall paper firms in San Francisco. Select your paper one day, get it the next. All we want is to hang your paper. Now figure with us. You will be surprised the saving. Just imagine the money made on wall paper. You get this. We paint also. Guarantee to mix all paint on job; use nothing but lead and oil or Acme prepared paints. We run no coal oil wagon. Mr. Contractor, think this over. Your reputation is at stake. If your painting fails in say a year's time. Bad isn't it? Now whether we get your business or not, demand your paint to be of pure lead and oil or some good standard paint and same to be mixed on job. Mr. Property Owner, pay attention. We have a first-class sign shop in connection. For estimates call for W. E. Walker or A. B. Connor, at SQUARE DEAL HARDWARE CO. 815 Macdonald ave. Phone 286.

GENERAL STRIKE CALLED BY ROMAN EXCHANGE

Rome, June 9.—The Central Labor Exchange early today called a general strike of workmen as a protest against what labor leaders regard as summary action of the government at Ancona and elsewhere in connection with recent demonstrations by workmen.

Advices from Ancona say four persons have been killed as a result of riots resulting from demonstrations.

CLERKS PLAN FOR BIG VAUDEVILLE SHOW

Elaborate plans are being made for the retail clerks' vaudeville and picture show that is to be given at the Point theater on the night of June 22. Besides four of the very latest reels of pictures, the best local professional and amateur talent will appear on the stage. No expense will be spared by the committee in charge to give the public something worth while in the amusement line. Full details of the evening's entertainment will be announced later.

Tickets are on sale at all the grocery stores in the city and also at W. S. McRacken's, Jones, Adkison and McRacken's, Neidecker's, Lang's and Ferguson's.

LATHERS.

A resolution of condolence was passed last evening by the local union of lathers expressing their sympathy in the bereavement of J. Watson and family in the loss of a devoted wife and mother.

A majority of the members expressed their intention of attending the theatrical benefit to be given in Oakland at the Pantages theater next Thursday evening for the financing of the Mooney trial, to be held in Martinez.

A committee of three was appointed to act on the joint smoker committee of the Building Trades and Central Labor councils. Those appointed were W. L. Lane, J. O. Dahl and J. W. Rogers.

ANNIVERSARY IS OBSERVED BY CHURCH

The tenth anniversary of the establishing of Trinity Episcopal church in this city was celebrated Monday night with a social at the church, at Nicholl and Washington avenues. The event was largely attended.

Rev. C. S. Linsely, rector of the church, spoke on its activities since it was founded a decade ago, and discussed the future. The possibilities of the next few years, said the rector, were great enough to warrant the establishment of a larger and better building.

Program numbers were rendered as follows: Violin and piano duet, Mrs. H. G. Biggs and Reggie Biggs; vocal solo, Mrs. Terry; solo, Miss Muesette Hopkins.

CARD OF THANKS.

Mrs. Mary Terry and family wish to thank all those friends who were so kind to them during their recent bereavement in the death of the son, William Terry, and they also wish to thank the many who tendered such beautiful floral offerings. 6-9-14

BARNEY FRANKELS TO PLAY LOCALS SUNDAY

Richmond will play the Barney Frankels of San Francisco on the local lot next Sunday. This was the cheering news made public last night by the local management. It took some maneuvering and not a little persistency to get the fast San Francisco club to take the trip to this city on Sunday, but now that the game has been clinched, local fans can be assured of one of the snappiest games of the season.

The Barney Frankels have cleaned up everything they have been up against so far this season. The fast transbay bushers are a bunch of young demons; not only with the bat, but on the bases and in the field. Their lineup has not been received, but it is known that the opposing aggregation will be a strong one.

PLAN TRIP TO YOSEMITE.

COAST LEAGUE RESULTS

Young Wizard Ehmke humbled the haughty league leading Seals yesterday, and incidentally held the heavy hitting Howardites to six blows. While the Seals were whiffing the air at Ehmke's offerings, the Tray Packers were busting Baum's slants with regularity.

Portland won from Oakland, and Christian lost the first game since his elevation to the management. Venice and Sacramento did not play their scheduled game.

The scores:
At San Francisco—
San Francisco R. H. E.
Los Angeles 0 6 3
San Francisco, Baum and Clarke;
Los Angeles, Ehmke and Boles.

At Portland—
Portland R. H. E.
Oakland 4 9 1
Oakland 1 3 0

Portland, Krause and Fisher; Oakland, Prough and Mitze.

BASEBALL YARNS SCRIBBLED BY "FANATIC"

Now that the Martinez fans have found that their team is by no means unbeatable, full and complete negotiations may be carried on for the three-game series with Richmond on a more satisfactory way. Of course Martinez has lost considerably as a drawing card.

Napa took a beating for the first time of the season last Sunday, when the Vallejo bunch, under the leadership of Tony Blanco, took that club down the line to an 8 to 5 beating.

"Smiling Jim" Kane is making a hit all over the circuit. Wherever Kane umpires he makes a hit with the fans.

Howard French is wearing that smile that refuses to come off. And the reason for it all is that three-game series that has been arranged with Martinez.

We have to doff our new lid to the Martinez fans for loyalty. But the Richmond fans don't have to take their hats off to the Martinez club.

Although Richmond fans have not supported their team as they should, from present indications every man, woman and child in the city who has the least interest in the game will be on the excursion it is planned to run to the county seat on June 21.

HOSPITAL INMATE SUFFOCATES.
Napa, June 9.—Mrs. Alice Barnett, an inmate of the Napa state hospital, lost her life by suffocation yesterday when she crawled between the mattress and bed springs of the cot in her room. The pressure on her chest was so great in that position that she was unable to breathe.

CHICO TROLLEY CLUB MANAGER RESIGNS JOB

There still continues to be an upheaval in Trolley League circles. Word received here last night was to the effect that Manager Lew Olker of the Colts had resigned his job, giving the reason that the fans would not support him. Olker will continue in his managerial duties until a successor is selected by the Chico board of directors.

Teddy Peck, the man who put Chico on the baseball map, is mentioned as a successor to Olker. Peck, a former Philadelphia National League star, who is playing third for the Colts, is also mentioned for the job.

AUTO PLOWS UP GOLD.

Tucson, Ariz., June 9.—A unique discovery of gold was made by H. W. Kelly, an officer of the Indian service, just across the international line near Sasabe, when his automobile became stuck in a sandy wash. In getting the machine out gold nuggets were discovered to the sum of \$24, and he will return later to follow up the discovery. The location is a secret.

TWO ACCIDENTS AT THE S. O.

Two accidents requiring surgical attention were reported from the Standard Oil to the Abbott Emergency hospital yesterday. H. J. Hueni was taken there for treatment for a seriously sprained ankle, while F. M. Keaton required attention for a badly bruised and cut leg, which he sustained when a heavy piece of machinery fell upon him.

PRIEST ATTACKED BY BOOTBLACK

San Francisco, June 9.—Nicholas Viesacools, a bootblack, was yesterday committed to the Napa state hospital for an attack on Father Leblillon with his fists.

It is thought that Olker's proposition to make a wholesale cleanup and dispose of Players French, Henry, McCaffery and Greenwood, all good men, met with the disapproval of the fans.

SUPERVISORS TO PUT BAN ON FIGHTING

San Francisco, June 9.—Putting themselves on record as opposed to the commercialized and syndicated vice of prizefighting, nine of the eighteen members of the Board of Supervisors yesterday voted to end public exhibitions of this brutal character in San Francisco.

Coming at a time when there was no expression being given to the public demand for this action, the vote of the supervisors clearly indicated that the day of the prizefight will soon be over.

But one more vote was needed for the passage of the resolution introduced at the meeting yesterday to revoke all prizefight permits, and the licenses of the promoters were saved only by the inadvertent absence of Supervisor Frederick Suhr.

SWEARS OUT WARRANT FOR ELOPING WIFE

Woodland, June 9.—Mrs. William T. Austin, wife of a contractor of this city, eloped last Tuesday with John C. Wilson, manager for a Sacramento employment agency. As their married life was always happy, Mr. Austin was loath to believe the news, but has sworn out warrants for the arrest of the couple, who have fled to Nevada.

Rooters Club To Be On Deck

Now that a series of three games with Martinez has been arranged, the defunct Rooters' club, so recently organized, seems to be coming to life again. Richmond wants to take a big bunch of noisy fans to the county seat. And these fans should all have their rooting clothes on.

Concerted rooting will do as much as anything under the sun to win a ball game. If the local fans, organized and properly equipped to get the goats of the county seaters, journey to Martinez and get by with the right kind of stuff there is nothing to it but a win.

Frank Dietrich is president of the Rooters' club. As yet a yell leader has not been selected. Dietrich will probably call a meeting a few days before the first trip to Martinez on June 21, and a yell leader will then be selected.

FINED FOR DISTURBING PEACE.

James Coughlin of Oakland was arrested at the corner of Twenty-third street and Macdonald avenue by Policeman Munday and Special Officer Manke, charged with disturbing the peace, and was brought before Police Judge Lindsay. He was released after paying a fine of \$10. Coughlin had been celebrating at Grand Canyon Park and tried to start a fight on his return home.

DELEGATES RETURN FROM SOUTHERN TRIP

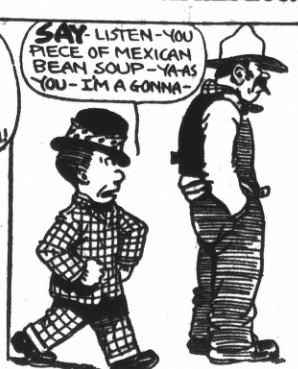

Mr. and Mrs. Ed. Johnson and Mr. and Mrs. Charles Johnson returned yesterday from a trip through southern California. Mr. and Mrs. Ed Johnson were in attendance at the District Lodge of the Gustav Vasa which recently closed its session at Los Angeles. While away the local people visited many points of interest in Southern California.

If you have something to sell—real estate, personal property of any sort—there's a buyer for it. You don't know who he is, or where he is. You'd be helpless in trying to locate him—but for the fact that HE IS TRYING TO LOCATE YOU.

MARTINEZ BOARD SELECTS ITS TEACHERS

At a meeting of the board of trustees of the Alhambra Union High school district, held recently, by unanimous vote D. O. Brillhart, principal, Edson D. Hale, G. A. Wilcox, Miss Florence Sevier, Miss Ione Gardner and O. Talbott were re-

tained for the coming school year. This action on the part of the trustees is full and sufficient assurance that the respective departments of Alhambra High have been maintained at a satisfactory high standard.

More "Don't's" For Richmond People To Follow Out

City Health Commissioner Charles R. Blake has compiled the following list of "Don't's":

Don't use the adjoining vacant lot as a dumping ground for rubbish or cast-off articles that you no longer need.

Don't beat or clean your rugs on the back porch. Take them into the yard or nearest vacant lot.

Don't play the piano after midnight nor indulge in ragtime vocal selections after 11 p. m.

Don't throw dirty water or slops of any kind over the porch railing into the back yard or the adjoining premises.

Don't sweep the dirt and rubbish from your back porch down onto the people who live below you, if you live in flats or apartments.

Don't fling rubbish or cast-off material of any kind into the back yard or court. Put all such material into proper receptacles so that it may be removed and disposed of in a sanitary manner.

Don't be unnecessarily noisy or disorderly in your habits. Dancing the tango until 2 o'clock in the morning is bad for your own health and worse for the nerves and temper of your neighbors.

Don't, if you live in a flat, keep dogs or cats; they are certain to be a source of annoyance to some of your neighbors. Besides it isn't fair to the dogs or cats to be penned up in a flat; animals, like human beings, should have plenty of elbow room.

Don't forget that the comfort of your neighbors are dependent largely on the practical application of the Golden Rule, putting it into the negative form: "Do not unto others the things ye would not have them do unto you."

Finally, if all our citizens will only observe these "don't's" the sanitary inspector of the department of health will have more time to devote to matters of larger sanitary importance to this community.

The department of health has had quite a little to say on the subject of back yard gardening, both along the lines of cultivating useful vegetables and of turning your premises into beauty spots in the shape of flower gardens. Not only have we urged the importance of utilizing the back yards in this way as a factor in making their surroundings more beautiful and attractive and in getting real practical benefits by the growing of summer table vegetables, but we have also had in mind the health value of work of this kind.

It does people good to get out in the fresh air and sunshine; many people work in offices, shops and factories, and to all such, any time spent out doors is of incalculable value. A half hour's work each morning on the lawn or in the garden will put any one in better shape to stand a gruelling day's work at the office.

If you know of any unsanitary condition, or have any complaint to make, call the health office, 802, and we will give it our immediate attention. "That's our business."

MARTINEZ SCHOOLS TO CLOSE FRIDAY NIGHT

It has been determined that on Friday evening of this week the closing exercises of the Martinez grammar school will be held in the city hall park.

A feature of the occasion will be the march of the pupils of the school from the school house to the park. An elaborate program has been prepared, prominent among the numbers being the presentation to the school of a silk "Bear Flag" by Mt. Diablo parlor, N. S. G. W. Hon. M. R. Jones has been selected to make the presentation in the name of the parlor.

PYTHIANS MEET DEATH IN BIG AUTO ACCIDENT

Goldfield, Nev., June 9.—Four prominent Knights of Pythias, all of this city, were killed early today in an automobile accident while returning from a meeting of the Goldfield lodge last night at Tonopah.

Dr. E. A. Wheeler, one of the best known physicians of Nevada, who was driving the car, turned out to avoid another machine, mired in the middle of the road, skirted the edge of the embankment too closely and plunged over.

Dr. Wheeler and Daniel Falvey were pinned under the car and killed outright. Cyrus Rice and Herman Kruger died in a Goldfield hospital. One other passenger escaped with bruises.

Mexico To Escape War Indemnity

MEXICAN PEACE CONFERENCE IN SESSION AT NIAGARA FALLS.

Left to right: United States Envoys, Percival Dodge, Frederick W. Lehmann, Justice Joseph Lamar. "A. B. C." Mediators Romulo S. Naon, Domicio Da Gama, Eduardo Suarez. Mexican Envoys, Augustin Rodriguez, D. Emilio Rabasa, Luis Elguero, R. Elguero.

FEAR OF HUERTA DELEGATES THAT UNITED STATES WOULD DEMAND PAYMENT FOR GREAT EXPENSE OF PACIFICATION MADE WAR REPUBLIC'S AGENTS GLAD TO MEET PEACE OVERTURES AND PLAN PROVISIONAL GOVERNMENT.

Niagara Falls, June 9.—Mexico will not be asked by the United States to pay war indemnity. The Huerta government has learned through the American delegates that the Wilson government will be content to have set up in Mexico a stable government to succeed Huerta rule. An intimation that the United States would demand reparation for the losses sustained at Vera Cruz or expect to be recouped for the enormous expenditures already made in an attempt to pacify Mexico was given to the Mexican delegates soon after the conference opened. This made it easy for the opposing delegates to meet harmoniously. It was responsible largely for the ease with which a general understanding was reached between them and it lent consistency to the American demand that consideration be given to the constitutionalist cause.

COUNTER PROPOSAL SUBMITTED. The mediators submitted today to the Mexican delegates the counter proposals of the American govern-

ment for the pacification of Mexico. The American plans is, with few modifications, the same as that which the mediators and Mexican delegates recently agreed upon and which General Huerta approved. It provides the method of transferring the executive power in Mexico City from the present regime to a new provisional government, which shall in a few months conduct elections for President, Vice President and members of Congress.

REFUSES TO TESTIFY IN BIG TRIAL

Because he refused to testify against Thomas J. Mooney, charged with being in a conspiracy to transport dynamite from Oakland to Sacramento, Warren A. Billings, a Folsom convict, was adjudged in contempt by Police Judge Christianson in Sacramento yesterday. Billings was sentenced to serve a term of 100 days in the Sacramento county jail. The sentence will not begin until Billings has served out his two-year term in the state prison. Heretofore, when convicts have been called into court and refused to testify, they have been returned to the prison, as it was considered sentences or fines would not avail anything in view of the fact that already they were incarcerated and under punishment.

The names of the sixty talesmen who are summoned to appear for the third trial of Mooney, who is charged in the Contra Costa Superior Court with unlawfully having high explosives in his possession, have been drawn from the jury box. The trial will be called in Martinez on Monday, June 15.

The talesmen follow: District No. 1—P. M. Clayton, C. Ellehorst, J. A. Forsman, John Goertz, F. P. Gardner, Peter A. Fieger, T. E. Baldwin, J. Q. Black, Albert Fagerstrom, E. S. Sisson, F. G. Schack, Arthur Hayden, L. B. Lane, M. H. Malone, R. M. Fitzer, Charles A. Kantz, L. D. Engleman, Bert Larson, L. R. Riley, M. J. Scanlan.
